

Mission Training

Laurie and Billy have training influence in over 40 countries. Laurie is the Director of Training and Formation for global workers in 36 countries, while Billy conducts trainings for workers in several other countries outside of Laurie's work.

Facilitator Training

Laurie is passionate about training and empowering facilitators who can train others in culture, communication, and effective mission strategy. She currently leads a cohort of 26 mission training facilitators who are leading trainings on 6 continents.

Care

Billy conducts care and counseling for global leaders and ministry workers who serve in many countries and ministries. By keeping these people healthy and thriving, they are able to be more effective in their work and ministries worldwide. Billy's care materials have been translated into several languages.

Global impact

The Drum's work impacts ministries around the world. Some of these include community development, education, trauma care, refugee outreach, church planting, economic development among the poor, feeding programs, media and evangelism, outdoor education, medical missions, racial reconciliation, and more.

Leadership Development

The Drums are actively engaged in discipleship, mentoring, and coaching of ministry workers and global leaders, both locally in Spain and globally. They meet regularly with pastors and leaders to help them grow in their spiritual formation, leadership skills, and strategic outreach to their communities.
